Crestline Community Cleanup Offers Two Locations

CRESTLINE – A San Bernardino County Community Cleanup from 8 a.m. to noon on Saturday, Aug. 2 will feature two locations to better serve residents of the Crestline mountain communities.

During the day, residents can dispose of non-hazardous trash for free in bins located at Valley of Enchantment Elementary School, 22836 Fir Lane, and in the parking lot adjacent to the baseball fields near Lake Gregory.

“Getting from one end of the mountain communities to the other is chore, especially if you’re hauling an old sofa and several bags of trash, so the County is offering residents two locations to make it a easier for them to take advantage of the free Community Cleanup,” said Board of Supervisors Chairman Paul Biane, who represents the Crestline mountain communities as the County’s Second District Supervisor.

Residents bringing tires must remove the rims. Tires cannot exceed 11-inches by 25.5-inches. Residents planning to bring 10 or more tires must make prior arrangements by calling (909) 387-0289. Clean Earth Recycling of San Bernardino will accept used electronic items such as televisions, VCRs, and computer monitors for recycling.

Hazardous waste such as paint, solvents, weed killer, etc. will not be accepted. This type of waste can be disposed of for free at the Heaps Peak Transfer Station, 29898 Highway 18, on Sept. 13 between 9 a.m. and 2 p.m.

San Bernardino County Code Enforcement and the Solid Waste Division oversee the Community Cleanup. Call (909) 387-4044 for more information. No commercial waste will be accepted at either location.
